

Strabane-Lifford-Castlefin Greenway

Strabane to Castlefin

10km

 1 Hour

 2.5 Hours

 9m

1-2

Strabane to Lifford

1.5km

The route commences in the historic town of Strabane in County Tyrone where the greenway provides dedicated active travel around the border town and its many sights.

Passing the “let the dance begin” art installation known locally as the “Tinnies”, the route head Northwest towards County Donegal crossing the Mighty River Foyle just below the confluence River Mourne and River Finn. Famed for the salmon fishing it is the perfect location to rest and watch the anglers ply their trade.

2-3

Lifford to Caslefin

8.5km

The route then provides active travel around Lifford the County Seat of Donegal. Founded around a castle built by Magnus O'Donnell, it later became a garrison town for the British Army and the old courthouse still remains.

At the “Three Coins” roundabout the route heads west towards Castlefin, commanding view over the River Finn and County Tyrone along its journey.

The route passes with 1km of the border town of Clady in County Tyrone and users can divert from the greenway across the historic nine arch bridge to visit the town.
